

RISTWATCH

RCVFD Quarterly Newsletter P. O. Box 2, Bellvue, CO 80512 Issue No. 104 October 2022

Letter from the President

I am almost a full year into this job and learning a lot. Recently we held our annual Mountain Festival, and in this newsletter you will see much about the success we enjoyed. The weather was chilly and wet, but we still had a great turnout. Mountain folk do not shrink from a bit of inclement weather!

I have three groups to thank for our success. First, the many, many volunteers who contributed their time, talent and resources to organize this event. I witnessed dozens of volunteers expending thousands of hours to make our festival happen. I cannot begin to name all of the people who helped with this effort, but know that your work is acknowledged and appreciated.

The firefighters, EMTs and all of the support members of the Fire Department continue to perform their normal duties to keep all of us safe, but it all gets turned up a notch or two before, during and after the Festival. Your ongoing investment in our fire department is honored and appreciated.

Finally, none of this would be possible without the people who come out to support RCVFD. Whether you are buying books, bidding on items or even just enjoying the entertainment and buying lunch, everyone who comes out makes all of those volunteer hours pay off.

That means that everyone deserves a pat on the back and a hearty measure of gratitude!

Neil Faber
President - 2022

RCVFD Annual Meeting and Potluck

Saturday, November 5th, 2022, 6 - 8 PM

Back at Stove Prairie School!

Join us at Stove Prairie School for a potluck and the Fire Dpt. Annual Meeting. We'll hear from the President, Chief, Treasurer and Vice President, and elect our new Board of Directors. Please bring a dish to share. Beverages and dinnerware will be provided.

**All Area Residents
are encouraged to
attend!**

Chief's Report

We have closed the books on another successful Rist Canyon Mountain Festival, and although the weather was a little less than ideal, all I saw when I looked around were smiles. Community members enjoyed coming together for a common purpose, seeing friends and neighbors that maybe they had started to lose touch with, and sampling the skills and products of their fellow neighbors both near and far in the craft booths. Visitors to our canyon had a chance to see its splendor even when the sun isn't shining, and duck out of the intermittent rain into the book tent or the silent auction tent, or snack on some amazing food under the dining tent, listening to another fantastic line-up of musical talent. We even ran the firefighter dunk tank this year, proving how tough our Rist Canyon firefighters are!

I would like to thank everyone involved in the festival this year for making it such a great experience. We had a solid crew of folks helping to set up and tear down, making the work easier and the days shorter. Our community members running the various tents and attractions are dedicated and wonderful people. Our firefighters always juggle a few tasks on Festival Day, making sure we have things staffed and prepped in case of an emergency, but also educating visitors in the Firefighter Tent, keeping an eye on the parking lot and, of course, taking time out now and then to have a little fun. Everyone does an amazing job, and if I started listing folks by name I would run out of room. Thank you all!

On the operational side of things, we continue to plan a fire station in the Buckhorn area to improve our coverage there in the event of a wildland fire. We were blessed with moderate temperatures and rain at the right times this season, but that won't work out every year, and we need to be prepared. We are exploring grants for an additional brush truck with a crew cab, which would help us more easily transport firefighters to wildland fires along with the apparatus they need to support them while they fight it. This also dovetails with the Buckhorn station, since a fourth station would require more trucks.

Our recruit and training pipeline is strong, with new folks coming to check out the fire department and see how they might get involved. We had two new firefighters and an EMT graduate from recruit status this quarter, and they are already starting to help out on calls. As we head into the colder months, we'll all start to fire up those chimneys—and that means chimney fires and other structure events. During the fall we focus our training on our structure (bunker) gear, SCBA (breathing apparatus) and structure safety and stabilization. We have done a full inventory of our SCBA equipment and verified what was in good shape for the season, repaired what could be repaired and replaced what needed replacing.

Great News!

***Your RCVFD is now offering your
Address Sign FREE!***

Order your address sign NOW so your fire fighters can find you FASTER when you call.

***To order, call Louise at

MANY THANKS TO
RIST CANYON VOLUNTEER FIRE DEPARTMENT

Ed Brown

April 9, 1950 - June 17, 2022

Ed Brown, a Rist Canyon Volunteer Fire Department Fire Fighter and Board Member for many years, died on June 17th. We appreciated his support and hard work. In spring 2011, Ed helped many of his neighbors get up and out of their homes late one night when the Crystal Park Fire started.

Ed grew up in Nebraska in farm country. He has three adult sons who have all married and provided him with six grandchildren and two great-grandchildren. He loved his family and all of his friends. He was a kind and gentle bear of a man. We all miss him greatly.

RCVFD Monthly Meeting Schedule

Operations —1st Wednesdays (6-7 PM)

Fire Training—2nd Wednesdays (7-9:30 PM)

Board Meeting—3rd Wednesdays (6-8 PM)

Medical Training—4th Wednesdays (6-9:30 PM)

Ops, Fire and Medical Trainings are at Firehouse #1 at 11835 Rist Canyon Road. Board meetings are held at Firehouse #1, or on Zoom if necessary. All Rist Canyon area residents are welcome to attend. Around the first of each month, RCVFD sends out a Community Alert with the deadline to request a copy of the agenda. If you would like to receive the agenda, please email your name, email address and phone number to the RCVFD Board Secretary at secretary@rcvfd.org. Please note that the agenda will arrive one to two days before the scheduled meeting. To sign up for Community Alerts, visit RCVFD.org.

Power your life

Make power outages a thing of the past with a home standby generator.

Are you prepared for Power Outages?

Power outages... we've all suffered through them. The good news is, you don't need to any longer. Generac home standby generators automatically provide backup power during a utility power outage – whether you're home or away. Whether it's for a few hours or several days, your family and home are protected. So sure, keep the candles and flash lights, but it's time to get serious about preparing for power outages.

Letter From the Vice President

2022 RCVFD Mountain Festival a Big Success!

The annual RCVFD Mountain Festival was held on Saturday, September 10, 2022, to raise funds for the Rist Canyon Volunteer Fire Department. Even though we had drizzle most of the day, there were about 1,500 happy attendees, and a nice profit was made for the fire department. Over 150 neighbor volunteers worked together to make the Festival happen. This event brought neighbors together to build new friendships and informed people about the activities of RCVFD.

This year's celebration featured a huge used book sale with thousands of books; an excellent silent auction with hundreds of items; a delicious bake sale with an amazing number of pies, cakes and more; a large plant sale with a variety of types and sizes of plants; a great RCVFD Festival T-shirt sale, with a new logo for this year plus vintage shirts from past years; 24 craft sellers and other vendors; 15 non-profit educational booths; outstanding live musical entertainment by five local bands; an old-fashioned dunk tank; firefighter demonstrations of equipment; a display of our fire trucks; free ice cream in a variety of flavors; food trucks; and a kids' area with lots of different activities, games and farm animals. A presentation at the RCVFD Annual Meeting on Saturday, November 5, 2022, will give more information and show photographs of the event.

Please mark your calendars for next year's Festival—Saturday, September 9, 2023. To join the Festival team, please contact H.J. Siegel, Festival Coordinator [HJ@computer.org]. There are lots of ways to help in the months before the Festival, days before the Festival, during the Festival and after the Festival. We happily welcome new members for the fun and friendly "Friends of the Festival" leadership team!

H. J. Siegel
Mountain Festival Coordinator and
RCVFD Board Vice President

Folks starting to arrive
on a chilly morning.

Plenty of bidding going on in the
Silent Auction tent.

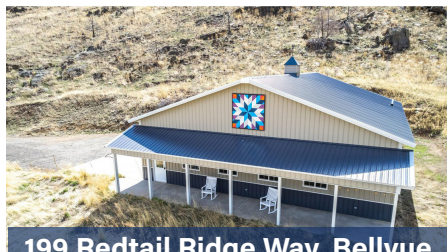

Lots of great fire department demos!

Notes from Your Area Representatives

Bears, bears and more bears or is it only one? It is not for me to know. There has been much bear activity as of late along the Stove Prairie corridor. With the trash issues I have been hearing about I suspect it is only one or two where I live. The experts could be called in to figure it out. I do not want this. I want to see bears and not have to deal with nuisance bears.

Please guard trash and other yummy things bears love. After all, fall is the season of hyperphagia. Let's all be responsible and enjoy seeing the beautiful animals for what they are. We do live with them!

Take it Easy!
Tim Stratman
Stove Prairie Area Rep

Happy Fall and Welcome to all the new folks in our neighborhood. As the weather cools and the sun sets earlier, many are cutting firewood in anticipation of those cozy nights by the fire. But what to do with the slash piles?

Many of us burn them while others chip and spread them. If you choose to burn be sure to get your Free Burn Permit. It's quick and easy. Go to the www.RCVFD.com website. Click on Community Information, then Get A Burn Permit. This takes you directly to the Larimer County website for the Permit. You will complete information such as your name and the address where you will be burning. You can choose a date starting in October and ending in April. Be sure to read all the instructions, which will be part of the Permit. It includes the size of slash pile as well as no burning unless there is a minimum of three inches of snow on the ground.

On the day you plan to burn you should plan to spend the day watching over each slash pile. You will also need to contact the Larimer County Sheriff's office non-emergency number, 970/416-1985, to let them know you plan to burn that day.

A few things to remember. Windy days are not a good day to burn. If the forecast plans for ten mph winds or more, choose another day. Be sure to have access to water, a shovel and rake to prevent spreading and put the fire out when done. Then check over the next few days that it is out. The Permit site includes all the instructions.

Once you finish your application you will have a permit number. You cannot burn until you receive a confirmation email from Larimer County.

Be safe, and enjoy the beautiful fall colors that Colorado is known for. If you need RCVFD anytime, for fire or medical emergencies, always call 911.

Louise Creager
Stratton Park Area Rep

- For great information on protecting your bear neighbors, visit the RCVFD website's Ristwatch page, scroll down to the April 2019 Ristwatch, and read page 6. The information comes from Linda Masterson's go-to handbook, Living with Bears.
- You can order her book at livingwithbears.com. Linda, a former resident of Crystal Mountain, is now living on the Gulf Coast, but reports that she still misses the mountains!
- We miss her too! Watch for excerpts of her books in upcoming issues. *Ed.*

Despite the cold, Asha, Jack and Abbas had plenty of ice cream customers.

Thinking about Buying Land in Bellvue? I can be Your Buyer's Agent and Represent your interests; AND have Seller pay all commissions in most cases, Plus credit you \$250 at closing for any house.

Notes from Your Area Representatives, cont'd.

Pretty quiet on the mountain now that the rains have stopped. Road seems to be holding up well and reconstruction of Deer Path and Wildsong is underway. Enjoy the cooler fall temperatures before winter arrives.

Erica Michel
Upper Buckhorn Area Rep

All photos in this issue courtesy of Erica Michel.

As we move into fall, we need to be extra careful when cutting our firewood. Sparks are not our friends.

Please sign up for our Community alerts at [RCVFD.org](https://rcvfd.org). This keeps you informed of lost pets and events in the area.

Contact [Leta911.org](https://leta911.org) and sign up for reverse 911 calls for alerts when you need to evacuate if a fire or flood is near you. It is a good idea to do this every year or so to make sure you are still on the list.

The address signs are free and help the firefighters and EMTs find our homes faster. Give them the extra edge to find you in an emergency.

Finally, a ride in the Flight for Life is \$20,000 a trip. Consider signing up for this as it covers everyone in your household.

If you have any questions or need information on any of the items above, please contact me.

The Ristwatch reserves the right to edit, refuse, reject or cancel any article or ad at any time. We base this decision on our responsibility to our readers. We will not knowingly print any article or ad that is misleading or untruthful. Articles submitted to the Ristwatch are a representation of the author and not necessarily an endorsement by the RCVFD.

Three Easy Ways to Help the RCVFD

Spread the Word!

One of our biggest fundraisers is the King Soopers Rewards Card. If everyone in the Rist Canyon area used this program, it could make a HUGE difference in our fundraising. This generous program gives the RCVFD 5% of all of your purchases at King Soopers. This includes groceries, toiletries, supplies, clothing, gas and even prescriptions.

The process only takes a few minutes. If you don't already have a free King Soopers Rewards Card, request one from your cashier or the service desk. Once that's done, jump on your computer and go to www.kingsoopers.com/communityrewards. Click on the link to enroll. Set up an account, or sign in if you already have one. Then click on Community Rewards from the list on the left. Use the "Find an Organization" box to enter our NPO number, **YP687** and click Search. It will verify that you have selected the RCVFD. Click "Enroll" and you're done! **Always scan your Rewards Card when shopping.** As a Rewards member, you'll save money and earn points towards gas discounts; and the RCVFD will receive 5% of your purchases. If you have any questions about the King Soopers Rewards Program, contact them at 800/576-4377. **And thank you for telling your neighbors to sign up, too!**

You can donate through Colorado Gives any time of the year! Please Spread the WORD to family and friends!

It's easy—just post this link:

<http://coloradogives.org/RistCanyonVolunteerFireDepartment>
to Facebook and ask them to donate! Your fire department thanks you!

You shop. Amazon gives.

smile.amazon.com is the same Amazon you know, but it donates 0.5% of the price of your eligible AmazonSmile purchases to the charitable organization of your choice.

Same products, same prices, same service! And once you set it up, it's automatic! Just go to www.smile.amazon.com. If you have an Amazon account, sign in. Select Rist Canyon VFD as the charity you would like to give to. Bookmark this website and use it for all your Amazon purchases. If you shop on Amazon, there's no reason not to do it!

Thanks to everyone!
Your support is so
important to the health of
our RCVFD! THANK YOU!!

Great Resource!

Disabled Resource Services offers walkers, crutches and other mobility devices for as little as \$10 to \$25 per year. They also take donations of these devices if you have one you'd like to pass on. They are located just west of the Poudre Valley Hospital parking lot. Call first if you plan to visit—their hours are limited.
