## Letter from the President

### Mountain Festival and RCFVD 50th Anniversary!

I want to thank all the Volunteers who made this year's Mountain Festival one for the record books. Because of your valuable time, we not only came together for a great community cause, but we raised a record amount of money and enjoyed record attendance. For those of you who want to join in this fun, there are still plenty of opportunities to volunteer, both for the Festival and for the Department. Contact your Area Representative if you are interested.

Looking forward, next year the RCVFD gets to celebrate it's 50<sup>th</sup> year in 2025. We have a committee that is gathering

pictures and stories of our first 50 years. It is an incredible story of people who have built this Department from a small group of volunteers to the highly professional and well outfitted responders we all benefit from today. When you see the totality of what has been accomplished in the previous 50 years, you will be impressed.

Your first opportunity to take in some of the 50<sup>th</sup> anniversary celebration will be at our annual meeting, to be held on November 2<sup>nd</sup> at 1 PM at Stove Prairie Ranch. It is a potluck lunch at a beautiful facility. We really hope to see you there!

**Neil Faber  
President - 2024**

## Letter from the Vice President

### 2024 RCVFD Mountain Festival a Big Success!

The annual RCVFD Mountain Festival was held on Saturday, September 7, 2024, to raise funds for the Rist Canyon Volunteer Fire Department. It was a fun day and an excellent Festival. We are still calculating the profit for RCVFD because there are some

expenses to come in and some Silent Auction purchasers need to pick up and pay for their items. We plan to announce the final amount of profit at the RCVFD annual community potluck lunch meeting at 1pm on Saturday, November 2, 2024, at Stove Prairie RANCH. Based on the information we have now, I am estimating we made over \$30,000 profit for the fire department!

Photo credit: Erica Michel

There were about 3,200 happy attendees. Over 135 neighbor volunteers worked together to make the Festival happen; they are listed in this newsletter. This event brought neighbors together to renew old friendships, build new friendships, inform people about the activities of RCVFD, and raise money for our fire department.

This year's Festival featured a huge used book sale with over 20,000 books; a wonderful silent auction with over 300 items; a delicious bake sale with about 75 pies plus over 1,000 smaller items (e.g., cookies, brownies, muffins); a plant sale with over 200 plants; a great RCVFD Festival T-shirt sale, where we sold over 200 T-shirts, hoodies, and tanks with this

year's logo, plus about 40 vintage shirts from past years; 47 booths with craft sellers and other vendors; over 20 non-profit educational booths; outstanding live musical entertainment by four local bands; an old-fashioned dunk tank; firefighter demonstrations of equipment; a display of our fire trucks; free ice cream in a variety of flavors; food trucks; and a kids' area with lots of different activities, games, and farm animals. In addition, we had over 35 generous groups supporting the Festival as sponsors! The presentation at the RCVFD Annual Meeting (again, to be held at 1pm on Saturday, November 2, 2024 at the Stove Prairie RANCH) will provide more information and show photographs of the event.

Please mark your calendars for next year's Festival: Saturday, September 6, 2025.

To join the Festival team, please contact H.J. Siegel, Festival Coordinator [[HJ@computer.org](mailto:HJ@computer.org)]. There are lots of ways to help in the months before, days before, during, and after the Festival. We happily welcome new members for the "Friends of the Festival" leadership team! Joining is a great way to meet your neighbors, become involved in the community, and support your volunteer firefighters.

## Notes from Your Area Representatives

Summer has given way to autumn and with it brings a chill to the air. The leaves have just started to change, and the hummingbirds have flown south. Time to take down the feeders and give them a good cleaning until we need them next year. The roads seem to be in great shape heading into the new season with a few soft spots along the sides — just take the road easy and slow to avoid any issues. With the cooler temps, animals start to make their way down the canyon. We've seen a lot more moose and turkeys in the area, so keep your eyes open. I was able to volunteer with the United States Forest Service (USFS) this summer and help get the Buckhorn Ranger station open. We had several community members visit. We look forward to more visitors next season.

### Address Signs

Photo credit: Louise Creager

Thank you for getting your address sign so we can find you when you call. If you have your sign, don't forget to install it so our Firefighters can see it from both directions.

Happy Fall to you! We had an excellent turnout at Station One on Saturday September 28th for the Land Scam Class. Keri Roark from Fidelity National Title gave an excellent presentation and shared many interesting stories of people having their properties sold without their knowledge. Many in attendance were surprised by how frequently it happens. Keri also shared ways we can potentially prevent this from happening. If you would like more information, please contact me. I can offer a class to your road association or visit with you personally.

Enjoy the Beauty of the Fall Season. The Colors are Magnificent this year.

## Notes from Your Area Representatives, cont'd from pg 10

The lower Buckhorn has been beautiful and relatively quiet so far this fall. We're starting to see more deer moving around our area and the turkeys seem to be more plentiful the closer one gets to Masonville. The fall colors continue to turn the trees yellow, and the bushes and scrub oak are turning vibrant oranges and reds.

The major concern for the area is the lack of moisture. The average daily humidity levels are 20% or even lower. Please consider that unattended use of fire and target practice even can spark a fire this time of year. Otherwise, until the snow arrives, use your God-given common sense and enjoy the changing of seasons.

### Book Tent Thank You

I would like to thank all the volunteers who helped in the festival. The Book Bees, husbands, families and neighbors worked hard to earn money for our fire department. We could not do this without all of you. I would also like to thank Beth Corbitt, Debbie and Neil Faber, Jeff Brack, and Gretchen Long for allowing the book tent to borrow their pop up tents for the rest area and the cashier area; Laporte Hardware and Laporte Pizza for allowing us to place book donation boxes at their businesses. The Book Bees and workers thank Mark Squibb for the coffee service and the Early Girl Business for the pizza on Thursday.

It is the season for leaves changing colors, cutting wood, and bulging Elk. This is also the time our feather friends are awaiting us to fill the feeders.

We still have the address signs, the free Chimfex sticks, and helicopter insurance information. Please contact any Area Rep for these items.

If you have any concerns about the fire department or if I can answer any questions, please let me know. We are here to help you.

### **Notes from Your Area Representatives, cont'd from pg 12**

I would like to thank the community for an impressive turnout for the festival. My wife and I had a wonderful time volunteering at the book tent. We had the chance to meet and chit chat with so many fun people.

I would highly suggest helping out with any aspect of helping with the festival. It is a highly rewarding thing to help raise money for the community you live in. If you do not have the time to donate, please ask your friends and family to root through their closets and donate any books they are done with. I was impressed with the amount of money collected for our fire department. To me, it showed how much people respect what the department does for our community. I'm looking forward to helping out next year. Please contact anyone involved with the board if you are interested in helping out next year. There is quite a bit involved and volunteers are always appreciated. Take it easy!

## Are you prepared for Power Outages?

Power outages... we've all suffered through them. The good news is, you don't need to any longer. Generac home standby generators automatically provide backup power during a utility power outage – whether you're home or away. Whether it's for a few hours or several days, your family and home are protected. So sure, keep the candles and flash lights, but it's time to get serious about preparing for power outages.

# Wildfire Partner Program

## Building a Resilient Rist Canyon: Wildfire Partner Program Launch

The Rist Canyon Volunteer Fire Department is excited to announce our new Wildfire Partner Program, coordinated by Raina Eshleman and established in 2023 as part of the Emergency Services Division of the Larimer County Sheriff's Office. This program aims to enhance wildfire resiliency in our community through a neighbors-helping-neighbors approach, preparing homes, properties, roadways, and businesses by reducing wildfire risk.

For the past six weeks, our dedicated Wildfire Partner Program ambassadors have been training with Raina Eshleman, and we are now ready to accept requests for Wildfire Home Ignition Zone Assessments.

## Wildfire Partner Program

*continued from page 22.* These free assessments are based on national best practices and tailored to each unique property, offering an educational experience for homeowners. Our goal is to empower Rist Canyon residents to take strategic actions that make their properties more wildfire-resilient before a wildfire strikes.

For more information and to request a Wildfire Home Ignition Zone Assessment for your home, please visit our website ([rcvfd.org/emergency-preparedness/home-assessments](http://rcvfd.org/emergency-preparedness/home-assessments)). Let's work together to ensure Rist Canyon is prepared and resilient against the threat of wildfires.

## Winter Bird Watching in Rist Canyon

Winter birdwatching in Rist Canyon brings joy even in the coldest months. Some charismatic species like chickadees, juncos, and woodpeckers stay year-round, while others like mountain chickadees, common ravens, house finches, and Northern flickers can keep the winter doldrums at bay. Spotting more elusive birds like the great-horned owl or red crossbill adds excitement, and colorful species like the Steller's jay and mountain bluebird brighten snowy landscapes. Trails, streams, and open fields offer varied birdwatching opportunities without leaves blocking the view—just remember to maintain distance for the birds' safety. A backyard feeder stocked with sunflower seeds or suet attracts many winter birds, while a heated bird bath may bring in robins. You can even make your own suet using a recipe on the National Audubon Society's website: <https://www.audubon.org/news/make-your-own-suet>. For more help, the Poudre River Public Libraries lend kits, and apps like Merlin Bird ID guide identification. Consider joining the Fort Collins Audubon Society ([fortcollinsaudubon.org](http://fortcollinsaudubon.org)) for birdwatching activities.

to Facebook and ask them to donate! Your fire department thanks you!

### Did You Know?

The RCVFD earns about \$1,800 every quarter, or \$7,600 annually, from the King Soopers Rewards Card.

This generous program gives the RCVFD 5% of all of your purchases at King Soopers. This includes groceries, toiletries, supplies, clothing, gas, and even prescriptions.

**The process only takes a few minutes.** If you don't already have a free King Soopers Rewards Card, request one from your cashier or the service desk. Once that's done, jump on your computer and go to [www.kingsoopers.com/communityrewards](http://www.kingsoopers.com/communityrewards). Click on the link to enroll. Set up an account, or sign in if you already have one. Then click on Community Rewards from the list on the left. Use the "Find an Organization" box to enter our NPO number, YP687, and click "Search". It will verify that you have selected the RCVFD. Click "Enroll" and you're done!

**Always scan your Rewards Card when shopping.** As a Rewards member, you'll save money and earn points towards gas discounts, and the RCVFD will receive 5% of your purchases. If you have any questions about the King Soopers Rewards Program, contact them at 800/576-4377. **And thank you for telling your neighbors to sign up, too!**

**You can see your contributions to the RCVFD through the King Soopers app!**
